RELEVANT PROFESSIONAL EXPERIENCE

IBM ~ Associate Programmer, Staff Programmer **White Plains, NY and Somers, NY**
Designed and implemented enhancements to a multidimensional spreadsheet tool for financial planners as team leader, using APL. Empowered planners to create more meaningful reports resulting in more accurate financial forecasts.

Key Accomplishments: Promoted to Staff Programmer

IBM ~ Programmer, Associate Programmer **East Fishkill, NY**
Automated receiving and tracking of materials from arrival at the shipping dock until they reach the warehouse or manufacturing floor, streamlining the process and reducing errors. Ensured safe handling of dangerous chemicals and communicated with financial systems. Member of a small team of three or four people. Used RPG III on an IBM System/38.

Key Accomplishments: Promoted to Associate Programmer

ADDITIONAL PROFESSIONAL EXPERIENCE

Marina's Miles 501c3 Charitable Organization
President and co-founder

Raised over \$40,000 in scholarship money. Established a 501c3 charity. Formed board of directors. Celebrate Marina's life every year with three to four hundred participants, fifty to sixty volunteers, and spectators. Campaign for sponsorships and donations. Coordinate volunteer board members and committee members to facilitate marketing the race. Lead committee meetings and delegate tasks. Document all meetings, legal and financial records. See MarinasMiles.org.

EDUCATION

University of New Hampshire Boot Camp, Certificate in full stack web development: Grade: A+

University of Vermont, Bachelor of Science in Computer Science: GPA: 3.71
